We endeavour to bring you the latest titles as soon as they are available in the Home Countries. Our stocklists are constantly updated and published to this website. If a recent title is Out Of Stock, it is still listed below, as these titles have a short re-order time of 2-3 weeks.

The majority of libraries engage Books Asia on a Supplier Selection basis and provide us with Profiles, Budgets and Timescales. Titles can also be selected and ordered using these Stocklists, specifying the Sequence Number and required Quantity.
